The Venndale Rehab Meeting

Fellow Delegates

Our new meeting was established mid-August after a request from Venndale (an Indigenous post release rehab in Katherine NT), if AA could start an online meeting with an indigenous focus to help their residents and other rehabs.

We started the meeting, and it has been open consistently since with a growing attendance. We have an established homegroup of 6 and the meeting is registered with GSO website. We meet every Thursday night at 7.30pm QLD time and hold a regular group conscience every month. We are represented at the Virtual Area A assembly.

The meeting is an ID meeting that is open to all members although we do encourage a strong indigenous attendance going forward.

Our goal is to make this meeting available to all indigenous sober members nationwide, in particular, those in rehabs and prisons. We are working together with our National Remote Communities Coordinator, National Treatment Facilities Coordinator, National Corrections Coordinator, along with an Aboriginal Elder who is an older sober member of the group. From this we are collating a list of rehabs, detoxes, and prisons to contact and make this meeting available to their clients and residents.

The meeting details are:

Zoom ID: **237 138 4709**

Password: **country**

Time: **Thursday, 7.30pm (QLD time)**

Contact: **Ivan C 0404 017 694**

Our request is that you, our Area Delegates, take this information to your Areas, Districts and Groups to seek indigenous sober members who may be interested in carrying the message to their brothers and sisters in recovery starting in the Top End.

Yours in Service
